Hi Anita,

It is still a best estimate but we are currently at 255. That estimate has been confirmed with law enforcement.

Hope that's helpful for now.

Take care,

Rachael

Good Morning, Mike and Rachael,

I am writing to ask if you have a confirmed number of people that were present in the Borderline Bar when the shooting occurred. Or perhaps there is an estimated number. Would you let me know if law enforcement has any figures? I appreciate it!

Thank you,
Anita

Hi Anita,

We still do not have a confirmed # and frankly, might not ever be 100% sure. Our count is up to 232 intakes at our TO center but that number includes family members of the deceased and probably does not count all the employees of the Borderline. We are still in the process of reconciling. I will advise you further as we receive additional info.. Have a great T-Day.

Mike

P.S. Rachael is supposed to be on a much deserved and long planned vacation and should not be reading this but I know she will.

Dear Mike and Rachael,

We are working on getting a number of total people who were in the bar when the shooting occurred. Do you happen to have a confirmed number? Please let me know.

Happy Thanksgiving to both of you. I hope you have a wonderful holiday.

Thank you,
Anita
