1) THOUSAND OAKS SHOOTING PSYOP

On 11/7, I was revisiting the Vegas Shooting and its emphasis on 117 coding - and later that night, sure enough, a mass shooting occurred in Thousand Oaks CA, one of the safest cities in America. Nice synchronicity, right after It also happened on the eve of the retirement of the sheriff of Ventura County (and we just talked about Ace Ventura last issue). What we're told happened here is that a country & western club was shot up by an ex-marine killing 12 plus the shooter for 13 dead - the 304th mass shooting in the US in 2018. It's said that many of the people present (upwards of sixty) were also present at the Route 91 Harvest Festival in Vegas, which is quite a common theme of crossover victims between these staged events. And now Los Angeles is being smashed by another major wildfire.

The event on 11/7 happened 1 year 1 month 7 days after Vegas on 10/1/17.

Borderline Bar =117. The shooter named **Long =117** or **Ian Long =117**. It happened 71 years 1 month after founding of CIA, 7 months 11 days after Long's birthday, and 7 years 11 months after he deployed to Afghanistan.

From Sun Oct 01 2017 to Wed Nov 07 2018 is: 1 Year, 1 Month, 7 Days	From Thu Sep 18 1947 to Wed Nov 07 2018 is: 71 Years, 1 Month	From Tue Mar 27 2018 to Wed Nov 07 2018 is: 7 Months, 11 Days	From Tue Nov 16 2010 to Wed Nov 07 2018 is: 7 Years, 11 Months	From Wed Nov 07 2018 to Mon Oct 14 2019 is: 11 Months, 7 Days

The Government =1170. **Psychological Operation =117.** **Los Angeles Police Department =117.** **Central Intelligence Agency =117.** **Mossad =117.** **Dance Club =117.** Borderline (a name summoning visions of the Mexican Wall on the anniversary of Trump's election) was frequented by students from **Pepperdine University =117.** And the major tribute synch we find here seems to be for the LA Rams and the upcoming **Super Bowl =117.**

Not only is Thousand Oaks the location of the LA Rams' practice facility, it's also the home of QB Jared Goff (whose birthday comes 11 months 7 days after the shooting). We see this code repeating again with the Rams organization as their new stadium currently under construction broke ground on 11/17 (of 2016) and the complex is being called the **Los Angeles Stadium & Entertainment District =7110.** **Rams =1017.**

This Rams find began by looking up Newbury Park, the shooter's hometown within the Thousand Oaks city limits - which just so happens to be where the wildfire began, the day after the shooting... It was also the hometown of one Jamon Brown, a former guard for the LA Rams who was just traded to the Giants (the Giants again) this Halloween; exactly one week before the shooting. And it was from there that I discovered about Goff and that the Rams's frickin training complex is approximately four miles from the Borderline Bar & Grill.

As I did on my blog post I'll share some of the 117 finds I was reviewing literally an hour before the shooting:

The shooting in **Las Vegas Nevada =117** aka **Sin City =117** happened a gap-span of **1 year 10 months 17 days** after the Paris Attacks and the day after the shooting was **10 years 170 days** after the Virginia Tech Massacre (the third deadliest mass shooting in US history - Vegas the first and Thousand Oaks now tied for 15th). Police arrived at the shooter's hotel room at **10:17 PM**. Mandalay Bay's second tower has **1117** suites.

- The shooter's father was a notorious bank robber and prison escapee named **Ben Paddock =1170** who died on $(1+18+98)=117$ at the age of **71 years 11 weeks 1 day** old; making **1/17** his last full day alive. One of the founders of Las Vegas and father of the mega-resort (directly responsible for Mandalay Bay) was **Kerkor Kerkorian =117** who was born a perfect span of **100 years 117 days** before the shooting on **10/1/17** which also just so happened to occur when Donald Trump was **71 years 110 days** old.

The Barcelona Attack happened in the **1,107th minute** of the day and **117 hours** after the Charlottesville Attack, as well as a perfect **11,107 days** after the last Barcelona terror attack, and exactly **701 weeks** after the Madrid Bombing.

And I want to point out another possible clue here. Remember how the Stoneman Douglas mascot was the EAGLES - the same graphic design and all - and the shooting there happened one week after the Philadelphia Eagles won Super Bowl LII? Well Ian Long went to Newbury Park High School where their mascot is the PANTHERS. Their QB Cam Newton =117 was born 10 months 17 days after the birth of Ian Long.

It's currently Week 10/17 with the Panthers beaten by the Steelers (52-21) the day after the Thousand Oaks PsYop. And for another point on the Rams the shooting hit when their owner Stan Kroenke was 71 years 101 days old.

Panther =327. Ian Long was born on 3/27 (1990). **Panthers =327.** **Triplet =327.**

We also see that Long was 1310 days old when the Panthers were founded. The final count: 13 dead 10 injured.

Newton =1031 born on the 131st day of the year. **Ram =131.** **Super Bowl =131.** **Championship =131.**

Thousand Oaks Borderline Bar and Grill =330. **Thousand Oaks CA =330.** **Long =330.** **God =330.**

Ian David Long =330. **America =330.** **Israel =330.** **Fire =1330.** **California Highway Patrol =303.**

LAPD =33. **LIII =33.** **Goff =33.** Rams' Steve McVay is the youngest coach in NFL history at age 33.

(The Carolina Panthers will be 303 months old for the SB)

"America" = 330 (Trigonal)

Long became a Marine 10 years 3 months 3 weeks before the shooting.

And of course the 33rd prime number is 137.

This event occurred 13 months 7 days (or 1 year 37 days) after the Vegas Shooting.

Borderline Bar and Grill =731. **LAPD =137.** **Government =137.** The most notable alumni from Pepperdine, as it relates to our focus, is **Michael Shermer =137** the founder of **The Skeptics Society =1137** (who ironically is not skeptical at all of any official narrative from the government - such as the cover of the Thousand Oaks Shooting).

Goff was born on (10+14+19+97) =137. **Country Night =1037.** **Ram =137.** **Stan Kroenke =137.**

Los Angeles Memorial Coliseum =7310. **Cam Newton =1307.** **Kroenke =1037.**

Stephen Craig Paddock =1307. Central Intelligence Agency =1307.

With football and Long I'm thinking of Howie Long, former Raider and current Fox broadcaster. The two Longs were born a gap-span of 11,037 days apart, which is intriguing. Howie's son **Chris Long =1137** won the last Super Bowl with the Eagles, and he also won the SB before that with the Patriots (and first signed with the Rams).

And I'm thinking there's a clue in the name Thousand Oaks. We've been talking a lot about Oakland and both these names are based on the Oak tree, which is an integral symbol to the Druids, and is said to help enhance manifestation which is the root of magick. Further, the roots of an oak mirror its branches thus making the perfect as-above-so-below symbol. And now the fire ritual sparked in Thousand Oaks the day after the shooting... There indeed seems to be some powerful magick at work here. But what about the number 1,000?

In my entire spreadsheet here we have but two hits: **Cameron Jerrell Newton =1000. LA Rams =1000.**

Hebrew =1000 in Jewish Gematria. **Borderline Bar and Grill =100. Gemini =100. Fire =100.**

We've been talking a lot about twin symbolism lately (throughout the entire existence of the blog, really) and the celebrity connection to the Thousand Oaks shooting is Tamera & Tia Mowry, the child actors from the show *Sister Sister* who are of course identical twins. It's said that their niece was murdered in the shooting. And as we'll see in the next article, the following day (the day the wildfire began near the Borderline) was the death of Wallace TRIPLETT (an NFL legend). And both in Jewish Gematria: **Identical Twins =1330. Wildfire =1033.**

Coming in the wake of Super Bowl LII in the Twin Cities, it's all quite curious innit.

Borderline Bar and Grill =1102. Pepperdine =112. Freemason =112. Zionist =112. Wildfire =112. Ian David Long =112. Ian Long =1112. The shooting is said to have broke out at 11:20 PM (which is the exact same time that police entered the hotel room of Stephen Paddock in Vegas). Super Bowl LIII will be played 1012 days after Jared Goff was drafted. This 11/12 will be exactly 70 years 11 months after the Mossad's founding.

Knowing how much the Phi sequence of 161/191 is absolutely integral to occult ritual, it's exciting to see this Thousand Oaks shindig happened **1091** days after the Paris Attacks.

- **Thousand Oaks =161. November Seventh Two Thousand Eighteen =1610. Mass Shooting =191. Thousand Oaks LA =191. Rams =191. Jews =191. Oak =191. Ventura County =191.**

I'll take this opportunity to review some of this sequence from the Vegas Shooting. That one happened **191** days after another shooting on the Vegas Strip and **191** days before Paddock's birthday, as well as exactly **1091** months after the birth of Paddock's bank robber father. And remember when we saw the predictive programming in *The Simpsons* episode with Flanders reenacting the Texas Tower Shooting, which occurred **10,091** days before the episode.

- **Lone Wolf =1091. Stephen Paddock =191. Mandalay Bay Hotel =191. Mass Shooting =191. Freemason =191. Satanism =191. Harvest =191. Route Ninety One Harvest Music Festival =191.**

And why the name Woolsey for the fire, I wonder. We see that Woolsey Hall (completed in **1901**) is the primary auditorium at Yale University, named after the 10th President of Yale, Theodore Woolsey. Skull & Bones 322 arson fingerprints, perhaps. And speaking of which, get a load of this gem: Woolsey died age **32,020** days old. PERFECT. **Identical Twins =322. Thousand Oaks Los Angeles =3220.**

From and including: **Saturday, October 31, 1801**
 To, but **not** including **Monday, July 1, 1889**
Result: 32,020 days

Not to get off onto too much of a tangent here, but Woolsey's son, Theodore Jr, is listed as having been initiated into the Skull & Bones Society in 1872. We also find a R James Woolsey Jr who headed the CIA from 1993 to 1995 under the Clinton Administration; he was 69 years 6 weeks 6 days old when the Woolsey Wildfire began. Hmm, and it also happened **9696** days after the birth of Adam Lanza.

And now the fire that began in Thousand Oaks has leapt the highway and spread to Calabasas and Malibu, forcing mass evacuations and torching celebrity mansions. I think of how the name Hollywood is based on the symbolism of the holly tree, used in magic wands and wizard staffs as it connects to that rotten center of mind control and perception manipulation. And I just looked up the holly symbolism and found this: “The Holly tree is the evergreen twin of the oak.” The evergreen twin of the oak! How about that. In Celtic mythology it’s said that while the Oak was the controller of the light half of the year, the Holly tree controlled the dark, winter months. The duality of the twin. I also read the Druids believed that burning oak would protect them and bring them strength, while purifying the atmosphere. And these three concurrent LA wildfires are the most destructive blaze in history.

Theodore Woolsey Sr died **1,555 months** before Super Bowl LIII, so let’s run with this triplet.

Super Bowl LIII also comes **1505 weeks 5 days** after Ian Long’s birth and he died at Borderline, we’re told, a span of **155 weeks 5 days** after the Paris Attacks. The Vegas Shooting happened **550 months 5 days** after the book release of *Fear and Loathing in Las Vegas* and **55 weeks 5 days** before the Pittsburgh Synagogue Shooting.

- We also see that just as Omar Mateen and Adam Lanza were born **5 years 5 months 5 days** apart, so too were Jared Goff and Cam Newton a day short of being born **5 years 5 months 5 days** apart. How interesting; both sets born 1983/1984 days apart. Super Bowl LIII is also **555 months** after Jackie Robinson died.

I also see that **11,5550 days** after the establishment of Yale University was 2 March 2018.

From Mon Jul 01 1889 to Sun Feb 03 2019 is: 1555 Months	From Tue Mar 27 1990 to Sun Feb 03 2019 is: 1505 Weeks, 5 Days	From Fri Nov 26 1971 to Sun Oct 01 2017 is: 550 Months, 5 Days	From Sun Oct 01 2017 to Fri Oct 26 2018 is: 55 Weeks, 5 Days	From Sun Nov 16 1986 to Tue Apr 21 1992 is: 5 Years, 5 Months, 5 Days	From Thu May 11 1989 to Sat Oct 15 1994 is: 5 Years, 5 Months, 5 Days
--	---	---	---	--	--

[We should also point out that Long was **2 years 27 days** older than Lanza and **1227 days** younger than Mateen; just as the Synagogue Shooting was **12 months 27 days** after the Vegas Shooting. Our Pi sequence, there.

The shooting was also **2 months 27 days** before Super Bowl LIII.]

Borderline Bar and Grill =1424. Wildfire =2424. Woolsey =1124. Woolsey Fire =2411.

The shooting happened **242 years 4 months** after the birth of America and **4224 days** after the Virginia Tech Massacre (or **11 years 204 days**). It also happened **1240 days** after Trump's campaign began, **2 years 4 months** after the Pulse Massacre, **402 days** after the Vegas Shooting, and **4 months 20 days** after Ian Long's last birthday.

- **Ventura County =204. Woolsey Fire =204. Theodore Woolsey =204. Tamera Mowry =204. Skull and Bones =402. Santa Ana Winds =1240.**

The incident also happened when Jared Goff was **24 years 24 days** old, as well as **2 years 4 months 4 weeks 2 days** after he signed with the Rams - as well as **12 weeks 4 days** before Super Bowl LIII on $(2+3+19)=24$ which is **2 years 40 weeks** after **Goff =204** was drafted by the **Rams =24. LA Rams =24. Goff =24.** Coach McVay born on 1/24 hired **24 months** before the SB. Goff was also born **4 years 200 days** after Ian Long.

--	---	---	---	---

Country & Western Club =888. Thousand Oaks =888. Jared Thomas Goff =888 will be **8880 days** old the day after Super Bowl LIII. The last fire in Calabasas (4 June 2016) was **888 days** before this one.

The shooting also happened **18,888 days** after the birth of Kurt Cobain (which will tie into a later article).

The SB is also **88 days** after the shooting and **808 days** after groundbreaking for the new Rams stadium.

We also see that California Governor Jerry Brown will be **80 years 8 months 8 days** old on 12/15/18.

And as connects to the next article, Benjamin Netanyahu's parents were born **888 days** apart, and for yet another emphasis here, Bibi's mother died a gap-span of **18,888 days** after the birth of Israel.

Satanic Ritual =888. Donald J Trump =888. Zionists =888. The Synagogue of Satan =888 in Satanic Gematria. As we saw last issue, the shooter from the Synagogue was born **8880 days** after the birth of Israel while

Governor Wolf and Trump were born **888 days** apart. Whitey Bulger killed **88 months 8 days** after his capture.

2.) WALLACE TRIPLETT & THE TRIPLET TRICK

Wallace Triplett, the first African-American to be drafted by and play for an NFL team, passed away on 11/8, the day the Woolsey Fire sparked making THREE simultaneous out-of-control infernos in California, a TRIPLET as it were of some of the nastiest fires ever seen in the state. Looking into his home township of Cheltenham Pennsylvania (a suburb of Philadelphia) I'm surprised to see that Israeli Prime Minister Benjamin Netanyahu went to high school there, along with his older brother Yonatan who was classmates with the aforementioned baseball player Reggie Jackson (Oakland A's Hall-of-Famer). There were THREE Netanyahu brothers.

We also see that there's a popular documentary this year called *Three Identical Strangers* about a set of American triplets who were adopted as six-month-old infants by separate families, unaware that each child had brothers. "The separations were done as part of an undisclosed scientific 'nature versus nurture' twin study, to track the development of genetically identical siblings raised in differing circumstances. Combining archival footage, re-enacted scenes, and present-day interviews, the documentary reveals how the brothers discovered one another at age 19 and thereafter sought to understand the circumstances of their separation." Curiously the synopsis points out that the ethically-questionable experiment was done at the direction of a Jewish adoption agency.

- A few interesting angles here, but my favourite might be the discovery of Yonatan 'Yoni' Netanyahu, an Israel Defense Forces commander of an elite commando unit who was killed in action during a hostage rescue in 1976. I had no idea the Netanyahus grew up in Philly (the original capital of America) but it certainly helps make sense of all the myriad synchronicities and tributes we've been seeing there as of the past couple years. We'll also talk about the Netanyahu patriarch, Benzion, one of the founding fathers of Revisionist Zionism who lobbied the US to support the creation of Israel.

And another 'first black man' dies eh, what do you know. Especially with all we've been covering in these past issues - in particular the Jackie Robinson connections. And if you'll recall in the 'Belloq + Melania' article from Issue #10 we discussed the 10/8 death of George Taliaferro (#20), the first African-American drafted by an NFL team. The two men passed away exactly one month apart. Now let's see how all this jazz flows together, shall we?

Yonatan Netanyahu =666. Walter Kowalczyk =666. George Taliaferro =666.

Israeli =696. Royal =696. Kowalczyk =696. Fire Sacrifice =666. Santa Ana Winds =666.

Walter Kowalczyk (#14) was another football player who died on 11/7 the day before Triplett (#24) - and of all the teams, Kowalczyk began his career in 1958 with the Philadelphia Eagles, ending four years later in Oakland.

- Triplett died 6 years 6 months 9 days after the Netanyahus' father died. The day before Bibi Netanyahu took office for the second time was 666 weeks 6 days after he took office as PM for the first time, a duration reminding us that Hitler =666 was born exactly 6666 weeks before Donald Trump took office.

Let's also remember that Bibi was 69 years 6 days old for the Pittsburgh Synagogue Shooting and speaking about the colour barrier in American sports, Jackie Robinson died 69 weeks 6 days after Kenny Washington (the first black man to sign an NFL contract, with the Rams, as we covered in Issue #12 - the one that saw the Dodgers Muslim manager previously work for Boston Consulting; where we now see Benjamin Netanyahu also worked...)

And speaking of which: Jackie Robinson was born 99 years 9 months 9 days before the LA wildfires began.

Three identical strangers, born 7/12/61, making them 690 months 9 days old for these AFC/NFC Championships.

While we're looking deeper into the past history here we see that Benjamin Netanyahu was friends with Donald Trump's father Fred in the 1980s while living in New York as Israeli ambassador to the United Nations. Not hard to imagine the backroom dealings that selected and primed The Donald to eventually play his greatest puppet role. And we also see that Bibi went to MIT and Harvard, making another Boston connection for that World Series there.

Yonatan Netanyahu died at the age of exactly **30 years 3 months 3 weeks** old.

Yonatan was also born on **13/3** which is **13 weeks 3 days** before the birth of Trump and **3 years 31 weeks** before the birth of Bibi who became Israeli PM on **3/31** which was in turn **3 years 31 days** before the death of Papa Netanyahu who just so happens to have been born **1303 months 3 days** before the Pittsburgh Synagogue Shooting.

Netanyahu =33. Zionists =33. Israel =330. America =330. Triplet =1333. Woolsey Fire =1333.

I was looking for the third coded sibling to the Israel / America twins, like **England =33.**

We did find a great triplet for the three power centers. In Francis Bacon: **London + Rome + Washington =333.**

Ventura County Sheriff's Office =333. United States Marine Corps =333.

Triplet =33. Philadelphia =1133. Mossad =1133. USA =133. Fire =1330. Long =331.

God =330. Cheetahs =330. I searched 'triplets' and found that triplet cheetah cubs were born at a zoo in Germany on 10/4 and just made their public debut the day after Triplet died - and Triplet was a legend with the Detroit Lions. Jaguars, lions, cheetahs... a lot of big cat stories lately. **Ben Zion =330. Three Identical Strangers =330** opened **133 days** before Triplet died.

The 33rd prime is 137, again, and the triplets from the film were born exactly **13 years 7 weeks** after Israel.

"Government" = 1113 (Trigonal) G o v e r n m e n t 1113 28 120 253 15 171 105 91 15 105 210	"Judaism" = 1113 (Reverse Trigonal) J u d a i s m 1113 153 21 276 351 171 36 105	"Druids" = 1113 (Reverse Extended) D r u i d s 1113 500 9 6 90 500 8
---	--	--

With the Israeli connection we know that the 113 sequence is one of their main codes: **Druids =113. Jews =113. Likud =113. Rabbinitism =113. Israel Defense Forces =1103. Benjamin 'Bibi' Netanyahu =1103. United Grand Lodge of England =1113. Philadelphia PA =113. Jerusalem =113. Triplets =113.**

Yonatan was born 113 weeks after Israeli independence and died 113 days after his birthday.

Papa Netanyahu died 3 years 1 month 1 day after Bibi took office.

--	---	--	---	---	---

We also see that the Thousand Oaks Shooting on the **311th day** of the year happened exactly **1 year 11 months 3 weeks** after groundbreaking on Rams' new stadium and **1 year 10 weeks 3 days** after Mercedes-Benz Stadium opened. And true to form, Wallace Triplett died at the age of exactly **1110 months 3 weeks** old.

- If we round out then Triplett died age 1110 months old while Taliaferro died exactly 1101 months old. And thinking of triplets I'm feeling the emphasis on our triplet coding (333/888) in gematria and dates. And lo and behold we have a tripled date here with 11 November 2018 which reduces to 11-11-11. Prime time.

With these 13s we're going to have to look at the 131 as well. Walter Kowalczyk died at the age of **1003 months 1 day** old. The triplets from the film were born **13 years 1 month** after the birth of Israel. And remember that **Jack Robinson =131** was born on 1/31 and broke the MLB colour barrier at the age of **10,301 days** old.

Zionists =131. Zionism =131. Taliaferro =131. Twin =131. Wildfires =131. Netanyahu =131. God =131 in Satanic Gematria. **Jerusalem =1031. Church of Satan =131. Ram =131. Benzion =1301. Benjamin Bibi Netanyahu =1301.** Bibi's mom died on 1/31/00 and Israel was born on the **131st day** of the year.

As a final piece of icing on the cake, on Yonatan's last full day alive he was exactly **11,070 days** old.

Jackie Robinson was born **7 years 11 months 1 week 1 day** before the birth of George Taliaferro and exactly **7 years 11 weeks** before the birth of Wallace Triplett (or a perfect 7 years 77 days). The wildfire that started in Thousand Oaks the day after the shooting sparked **1 year 11 months 7 days** after the Oakland Ghost Ship Fire.

Philadelphia Pennsylvania =117. Three Identical Strangers =117. Israeli =1017. Triplet =7111.

The United States of America =117. Walter Joseph Kowalczyk =117. Robinson = 117. Wildfires =117.

Adding to the last article's set, the 11/7 shooting also came a parallel **1110 months 17 days** after Queen Elizabeth's birth. **United Nations Partition Plan for Palestine =1107** which was adopted a gap-span of **70 years 11 months 1 week 1 day** before the shooting. It should also be noted that on Nov 13 or 14 it will be **110,070 days** after the founding of the United Grand Lodge of England, so we can assume there'll be an event in that window.
